DESCRIPTION:
THE LOCATION

Superstudio Più is a modern, poly-functional and versatile multi-location, a huge space available to the city of Milan and to important international events – created to meet the needs of the most vital operators and creative people working in the overlapping fields of fashion, art, design, communication, culture and entertainment.
Wide, flexible, obscured or day-light spaces, which can be divided or combined, with heating and air-conditioning, perfectly suitable for great events, exhibitions, conventions, fairs, fashion shows, performances, dances, covering a total area of 10000 square meters.
The variously-sized spaces are also perfect as studios for furniture, car, advertisement photo-shooting, for cinema/television sets, for any use of wide and comfortable surfaces, easy to set up, to reach and accessible to trucks.
On demand, we can provide customized services including communication strategies, design, setting up, videos, lighting, sound system, organization, casting, hostess, production, security, catering etc. Central location, private parking area and subway MM Porta Genova stop close by.
